2:20 – Activities/crafts

2:45 –Afternoon snack

3:00 – Full day camp ends

3:00-6:00 - Extended care

❖ Our schedule may vary due to weather.

## **Devotions**

Morning devotion is an important start to our day. We start devotions at 8:45 a.m. This is a time we will learn Bible stories and worship songs.

## **Discipline**

The same discipline that is used at CCA during the school year is followed during the summer. We expect all campers to show respect to others and listen to the camp counselors. The counselors will review the discipline procedure with the campers.

## **Lunch/Snack**

All campers must bring a sack lunch daily. A morning and afternoon snack and drink will be provided by CCA each day. Along with the morning snack we will be focusing on good nutrition to fuel our body and mind. **Please notify counselors if your child has any food allergies.** We would love to celebrate your child's summer birthday, just let the counselors know if you would like to bring in a special treat.

## **Rest/Naps**

All preschool age campers will have a time for rest (except on all day field trips). All preschool campers must bring in a small blanket and pillow marked with their name on it.

## **Summer Camp Hours**

- CCA summer camp will be open from 8:30 a.m. to 3:00 p.m. Morning care begins at 6:30 a.m. upon request (please notify a camp counselor prior to bringing your child) at the cost of \$4.80 per hour.
- Aftercare is available until 6:00 p.m. at the cost of \$4.80 per hour.

## **Weekly Schedule**

- Monday, Wednesday, and Friday we will be going to splash our afternoon away at Hopkins pool. They will have their lunch at the pool and we will also take time to play at the Park.
- Tuesday will be our field trip days. The children will be transported in the CCA bus. There will be an additional cost for each field trip. Due to the fact we have limited space on the bus, full time campers will be reserved first. The remaining students will be first come, first served.
- Thursday will be a "stay at school day" for campers as they will be involved in our gardening projects.
