

**2018 Terra Nova 3, ACSI Edition**  
**6<sup>th</sup> - 10<sup>th</sup> Grade Schedule**

**March 13<sup>th</sup>-16<sup>th</sup>**

Each morning during testing, the students will first report to their regular 1<sup>st</sup> period class at 8:15 for attendance, then at 8:20 students will leave this classroom (if needed) and go to the classroom they have been assigned for testing. All 11<sup>th</sup> & 12<sup>th</sup> graders will keep their regular schedule throughout the 4 days of testing. The 6<sup>th</sup> grade will do their testing in Room 4 with Mrs. Gonzalez. The 7<sup>th</sup> graders will do their testing in Room 5 with Mrs. Hanania. The 8<sup>th</sup> graders will do their testing in Room 1 with Mrs. Tencate. The 9<sup>th</sup> & 10<sup>th</sup> graders will do their testing together in room 7. **On Friday, 3/16, the high school morning and afternoon schedule will be reversed: Periods 5-8 held in the morning and Periods 1-4 held in the afternoon.** Please remember these are timed tests, so make sure you don't delay as we have shortened the time allotted for several of the tests, while still allowing for suggested time for proctoring and taking the test. Also, you need to remind the students that a question not answered is a wrong answer, so it is best to make a logical attempt at the question instead of leaving it blank. You need to keep track of the time as the bell system will still be activated. Breaks are to be used to stretch and go to the bathroom, no gym playing or cell phone usage.
