Summer Bridge Workbook

After 3rd Grade

Dear Parent,

The Summer Bridge Workbook for students after 3rd grade is provided in a smaller booklet format, that when printed, can be folded in half and stapled in the center of the book.

We hope that your child will enjoy using their Summer Bridge Workbook to help retain many of the wonderful things that they learned in 3rd grade!

Have a wonderful summer!

Hey, Kids!

Welcome to the CCA Summer Bridge Workbook. Here are a few ideas to help you get started:

1. Spend 15-30 minutes each day (Monday through Friday) doing one lesson.
2. Ask mom or dad to use the *Answer Guide* to correct it for you.
3. If you are going on vacation, you could take the workbook along. That way, you'll have something to do while riding in the car or when you're just relaxing!

Enjoy your summer break!
